

THE ONLY PAYMENT SOLUTION DESIGNED EXCLUSIVELY FOR MEDIA

The world is rapidly changing, and the world of media payments moves even faster. Managing new workflows while mitigating risk and hitting revenue targets (all while working from home!) is a juggling act for most agencies.

While everyone is adjusting to changing business practices and new routines, FastPay's ePay solution has been a game changer for our agency clients. By enabling AP departments to work completely digitally, ePay ensures business continuity while adding revenue to your bottom line.

Proprietary technology designed to reach as many suppliers as possible

Flexible payment methods including virtual credit card, the FastPay Network, check and ACH

Payment follow-up saves time and effort, and ensures invoices are paid

Dedicated media payments team to provide support and ongoing supplier activations

Integrations with Mediaocean, Advantage, Quickbooks, and more

“FastPay offers us significantly better customer service, proprietary tools, higher revenue share, and much higher participation rates than my previous payment solution.”
